WAR NOTES FROM MANILA.

Light Thrown Upon the Situation by Letters Published in Hong Kong.

San Francisco, Aug. 2.—Manila letters printed in Hong Kong papers up to June 29th give many interesting tales of the peculiar situation at Manila, of the insolence of the German naval officers, of Dewey's firmness and his wonderful energy, of Aguinaldo's great influence over the insurgents, and the extremecowardice of the Spanish troops, which has led many hundreds of well armed regulars to surrender to less than their own force of poorly equipped natives.

The presence of the German fleet in Manila bay has been a great source of encouragement to the Spanish, and a leading Manila merchant said frankly that August would have surrendered soon after Dewey's victory if it had not been for the moral support he received from Admiral Diederich. All Spaniards construe the presence of five German men-of-war, when one might have done all the work required, as "a direct act not of friendly interest and warning to the Yankees that they must not go too far."

Prominent Englishmen at Manila that Dewey would have been justified in ordering the German admiral to send away all but one ship.

A LONDON ACCOUNT.

Says Spain's Answer and Protest Were Sent Monday.

London, Aug. 3.—The Madrid correspondent of the Standard, telegraphing Tuesday, says:

"The government's reply to the American terms was forwarded yesterday evening through Mr. Cambon, and there is a strong prospect that peace will be concluded. It is not to be supposed that the United States government will object to representations being made on the Philippine question and upon some pecuniary claims which were mooted by the United States in the West Indies. On all the remaining main issues, Spain shows a disposition to assent to the American demands.

"No cabinet council was held today nor are the ministers likely to meet again until fresh intelligence is received from Washington. This is not expected at the earliest before tomorrow.

"The news from Manila still causes anxiety. No foreign mails reached Madrid today in consequence of floods near Burgos.

"With regard to the part played in the negotiations by Cambon, the French ambassador at Washington, there is now a marked tendency both here and in Paris to attribute to it considerable importance. Directly the final arrangement is made it is supposed that the press will be allowed more liberty of comment. The general impression is that both governments are disposed to put an end to the war as honorably as possible for Spain, which would have been easier had the United States not imposed such hard conditions with regard to the Philippines.

Sagasta's Diplomatic Victory.

London, August 3.—The Gibraltar correspondent of The Daily News, telegraphing Monday night, says: "The censorship is daily becoming more severe, and little is known beyond the fact that peace is assured. It is understood that the note from America asks only part of the Philippines, and that the premier, Senor Sagasta, having replied that the terms will be accepted, hostilities are consequently suspended.

"A commission will be appointed to determine the basis of peace. The chief difficulty, it is asserted in official circles, is as to the date and manner of the evacuation of the Spanish possessions.

"There is also the question of the disposal of the war material in Cuba, Senor Sagasta, if he has a chance, will probably represent the restitution of the material as a diplomatic victory. It has just been asserted here that the premier, Senor Sagasta, having replied that the terms will be accepted, hostilities are consequently suspended.

William at Bismark's Bier.

Friedrichsruhe, Aug. 2.—The emperor and empress spent half an hour in this city afternoon paying honor to the dead. The arrival was witnessed by a large crowd. The emperor placed magnificent wreaths on the coffin of the ex-chancellor. There was a short religious service, upon the conclusion of which the body was blessed according to the Lutheran rites.

Before leaving the castle the emperors again expressed his wish that the interment should be in the Cathedral but Prince Herbert Bismarck again declined the offer, saying he would fulfill his father's wishes to be buried on Schneckenberg, opposite the castle.

OUR TOBACCO INTERESTS.

An Industry Whose Value Is Almost Lost Sight of.

SOME INTERESTING STATISTICS.

Tobacco Has Made Danville, Winston and Durham and Why May It Not Help Greensboro?

In the push and rush of the wide awake citizens of Greensboro to secure manufacturing industries for the upbuilding of our fair city, we have to a very great extent lost sight of the value of the tobacco business to our local city.

The locating of new manufacturing industries in our city is a good thing, and something which the writer heartily endorses. But, in our anxiety to secure new industries, we should not forget to nourish and cherish those that are already here.

To illustrate the value of the tobacco business to the town, we will give you the facts in figures. This market will sell this year, about 3,750,000 lbs. of leaf tobacco at an average of 8 cts. per pound, which makes a total of \$300,000.00, paid out on this market for tobacco this year. Now we shall estimate that 50 per cent of this amount is spent with our merchants and business houses, which makes \$150,000.00 annually spent from this source alone. We believe this estimate is entirely too low, for these farmers lay this money away, and come to town all through the year and buy such things as they need, with it and no one stops to think or inquire from what source his customer derived the cash to pay for these goods.

Aside from this there is always a vast amount of country produce brought in on tobacco wagons, which we have no means of reckoning the value of, but it will amount to quite a large sum.

Furthermore all this vast amount of tobacco has to be handled and this takes labor and a good deal of it. The money annually paid out in Greensboro for the expense of manufacturing and handling of tobacco amounts to at least \$47,500 and all this money is spent in Greensboro for the necessities and luxuries of life, (the latter, however, are very scarce, and little is known of them among tobacco men.) This makes the value of the tobacco market worth at least \$200,000 to the annual trade of Greensboro, and could, by a little effort, be readily doubled in two years' time.

Greensboro has the strongest buying capacity, for its warehouse space, of any market in North Carolina or Virginia, and we might double our warehouse capacity with prudence, for we know flourishing markets with three big warehouses that have not exceeding one-fifth of the buying capacity that this market has, and all doing a flourishing business.

One thing needful right now is more warehouses. Do not be afraid to invest in good, cheap warehouse property, well located. I would not be afraid to wager \$100 that two more warehouses as large as those we already have here, could be leased to good, reliable men before September 1st, 1898, if they were built. Warehouse property well arranged and well located pays a high rental and has never stood idle here yet and that is more than can be said for any other kind of property here.

Another thing needful to the upbuilding of the market is the co-operation of our merchants and business men in encouraging the farmers to sell on this market and always speaking a good word for the market in their presence, while they are transacting business with you. Don't be afraid that you will attach too much importance to the tobacco interest of Greensboro, for you can't do that.

Tobacco alone built up Danville, Winston and Durham and there are other places in North Carolina and Virginia, building up more rapidly than did these. Let us awake to the true value of this great industry and push our market to the front where it naturally belongs, from its central geographical location and utilize our great railroad facilities which are not equalled by any other town in the state.

Another thing that would help to do this would be a concert of action between the tobacco business and the mercantile industry of our city to join hands and money, and devise some scheme by which all the tobacco growers for thirty-five miles around might be reached with a weekly paper every week for say eight months in the year. This paper should contain an advertisement from every business firm in Greensboro and should also contain frequent write-ups of our great industry, setting forth the merits of the Greensboro market as the place to sell tobacco, the cheapness of the goods on the bargain counters of our wide awake merchants, and the absolute safety of our banks as places of safe keeping for all the surplus money in the hands of these farmers. A little money and brains in these directions will bring handsome returns.

If the clever reporters of our energetic newspapers would visit the tobacco market as often as they do the passenger depots and keep the happenings as closely written up it is highly probable that it would prove vastly more profitable to the papers. It would help to increase the business of our town, and anything that increases the business interests of a town increases the value of its papers, both in advertising and extra circulation. They would gain by having a paper that would keep the tobacco farmer well posted as to the state of the market.

Don't forget that tobacco brings in outside capital. The tobacco bought by our manufacturers is worked and sold in the south. That bought by our leaf dealers is sold all over the United States, Canada, and Europe, and the more tobacco we sell the more outside and foreign capital we bring to Greensboro for acclimating as home capital.

HIGH POINT, N. C., Aug. 3, '98.

The recruiting officers who have been here for some time have left. Lieut. W. A. Erwin and Private G. H. Hollister will stop at Lexington. Dr. J. F. Reid and Sgt. Q. E. Smith will stop in Concord. While they did not get a large number of recruits here, they have made many friends.

The Telegram published a letter a day or two since from Chas. H. Powell, one of High Point's boys, who enlisted in Co. D, and who is stationed at Land's End, S. C. We are exceedingly glad to learn that they are all in good health and are having a good time fishing, bathing, etc.

Mr. and Mrs. Henry Harvey, of Weldon, who have been visiting W. E. Johns, have returned home.

Capt. W. E. Johns, of Mt. Airy, who has been visiting relatives here, has returned home.

WHICH WILL IT BE?

Hanna Says Congress Will Convene; McKinley Says Not.

Washington, Aug. 5.—There will be no extra session of congress, though the senate will probably be called together for prompt ratification of the treaty of peace if the present plans of the President prevail. It is stated at the White House that unless there should be some extraordinary development the house will not meet until it convenes in regular session December 1st.

This statement made on the authority of the President himself, in answer to personal inquiries is in contradiction to reports current among public men that congress will soon meet to draft legislation to meet the demands that will follow the close of the war, as well as give formal assent on the part of the senate to the treaty.

Cleveland, Ohio, August 2.—Senator Hanna said at noon today that an extra session of congress would be called very soon to consider terms of peace. He was not advised as to exact date, but said it would be very soon.

To Our Readers.

We regret very much that it was necessary to go to press this evening with such a small amount of telegraph to present to our readers. Owing to a storm in New York, which broke down the telegraph lines, we were unable to get our regular news service and this accounts for the appearance of today's paper.

Lawn Party in the Country.

The ladies aid society of Buffalo church will give a lawn party in the church grove tomorrow (Wednesday) night and requests us to say that they will be glad to see all their Greensboro friends out. Refreshments will be served and the proceeds will go to Barium Springs orphanage. A good time is assured all who attend. Drive out and enjoy a moonlight evening in the country.

MILES BLOODLESS VICTORIES

Nine More Towns in Porto Rico Surrender to Him.

THEY DESIRE TO BE ANNEXED.

No Official Reply Has Been Received From Spain Yet—The Texas In Dry Dock.

By Cable THE TELEGRAM.
Ponce, Aug. 1, via St. Thomas.—Delayed in transmission—Nine additional cities have surrendered to General Miles, besides Juano Diaz, which yielded yesterday. The names of the towns are: Arrago, Patillas, Yabucoa, Salinas, Santa Isabel, Adjuntas, Penuelas, Guayabal and Guanayoa. The Spanish troops were captured in most of the cities.

All of the cities were taken without fighting, the American troops being enthusiastically welcomed by the citizens. Thus far. No Spanish sympathizers were found, and in many cases Spanish troops who were garrisoning the cities, have been compelled to leave. They retreated to San Juan.

The cruiser St. Louis arrived this morning bringing Porto Rican refugees who were ring-leaders in the revolution of a year ago. They went to Santo Domingo but returned to Porto Rico and were caught by Spaniards and jailed but were subsequently departed and have been to New York. Upon their arrival here they were regarded as heroes, bands played American airs and prominent officials made speeches of welcome. The progress to their homes was a continual ovation.

The returned refugees held a conference this afternoon with leading citizens and say ninety per cent of the population prefer annexation to the United States to self government. Third Illinois has arrived. A governmental postoffice will be opened tomorrow.

IN DRY DOCK.

New York, August 3.—The battleship Texas was placed in dry dock this morning. A number of plates will be replaced and the vessel thoroughly overhauled.

The hospital ship Relief finished loading hospital delicacies and supplies and will sail this afternoon for Ponce de Puerto Rico.

SIGNED BEFORE SATURDAY.
London, August 3.—The Rome correspondent of the Daily Chronicle says:

"It is asserted here on good authority that the representatives of the Spanish government have accepted terms of peace offered by United States with only a few unimportant reservations. It is strongly believed that the preliminaries to the final peace treaty will be signed before Saturday."

NO OFFICIAL REPORT YET.

Washington, Aug. 3.—No notice of Spain's reply to our peace terms had been officially received by President McKinley up to 10:30 this morning.

Pearson Re-Nominated.

Special to THE TELEGRAM.
Asheville, N. C., Aug. 3.—The republican convention of the Nineteenth congressional district, which is in session in this city, today re-nominated Representative Richmond Pearson to represent that district in the Fifty-sixth congress. Mr. Pearson was nominated by acclamation.

Troops Reach Honolulu.

San Francisco, August 2.—The Call says:

"The steamer Doric which arrived late last night brought news of the arrival at Honolulu of the fourth Manila expedition. The Doric left Honolulu last Monday. The transport arrived there the day before with all on board well and on Monday the boys in blue were ashore and were given a royal reception and a grand feast.

"The fourth expedition left here July 15th, and reached Honolulu without mishap to either vessels. Great preparations are being made at the islands for a grand celebration on the arrival of the annexation commissioners and the raising of the stars and stripes.

DEMOCRATIC HAND BOOK.

It Will Be Ready for Delivery on the 14th of August.

The democratic hand book will be ready for delivery on the 14th of this month. It will contain about 150 pages. The chairman of the state committee is having struck off for general distribution 2,500 copies. This will give, after supplying candidates, speakers and newspapers, an average of twenty to the counties. The chairman has made arrangements with Edwards & Broughton, printers, Raleigh, N. C., to supply the county committee with any additional number of copies they may desire at the rate of four cents a piece.

It will be necessary that the chairman and others who desire additional copies should at once notify the Hon. F. M. Simmons, state chairman. The forms will be distributed as soon as the orders are filled.

The campaign handbook of this year will be particularly valuable and every county should order enough copies to put one in the hands of every doubtful voter in the state.

If you are not sick drink Aetna Lithia water and keep well. Two or three dollars worth of this pure, wholesome water used at this season may prevent a spell of typhoid fever. If you will use this water freely we guarantee good results. It is not necessary to go to the springs at a cost of \$100 per month.

A FIGHT.

The fight that is being made on Judge Clark is simply a part and parcel of the widespread conspiracy of the trusts, monopolists, and gold syndicate to capture all of our colleges and educational institutions, and to try to crush every man who opposes their conspiracy or stands in their way. Judge Clark is the kind of a man who will fight the battle to a finish and the people of the Methodist church, as well as the whole state, are with him.—Caucasian.

What a hideous nightmare the Caucasian must have had when it spoke as above quoted. When you read the first part of the paragraph it makes cold-chills chase each other up and down your spine and your teeth chatter. An awful tragedy is about to be enacted. A huge and relentless monster is about to deprive the state of a Supreme court judge and capture all our colleges where young men and young women learn their lessons and develop into bright and shining lights, and turn the institutions into places where manhood will be debased and and virtue prostituted!

But as you begin to grow sick and your knees grow weak you read the last sentence and take courage. There is yet hope that the dire disaster will be averted. "The people of the Methodist church, as well as the whole state, are with him." Surely, enough of those who compose the Methodist church and "the whole state" can be detailed for garrison duty to protect Judge Clark and to watch the thresholds of our colleges.

Verily, there is no cause for alarm after all. "In union there is strength" and "the whole state" united on one purpose is impregnable. As widespread as is the conspiracy of the trusts, monopolists and gold syndicate they cannot lay their greedy hands on our institutions or on Judge Clark, for according to the above quoted indisputable authority the whole state is with him.

But seriously and candidly the drift of these Joyful Laughters and Hallelujahs is in the direction of a charge that the religious institutions of the state have sold out to the trusts. It is already intimated in some quarters and it is as basely slanderous as it is designedly false.

We print elsewhere a communication signed "Citizen," which we heartily endorse; The tobacco business of this city is no small factor in its growth and development, and should, by no means, be lost sight of. We admit, however, that it is not receiving the notice at the hands of the papers, as well as the citizens, to which it is entitled by reason of its inestimable value to the city. It has not been forgotten, nor is it due to a lack of appreciation. It is an error, however, to allow ourselves to seemingly forget or to fail to properly cherish and nourish the tobacco industry in our city, or to fail to properly credit the efforts of our tobacco manufacturers and dealers and warehousemen in building up and pushing along the business interests of our city.

The Daily Record, Durham's new paper, a sprightly six-column folio, is on our table. It has our best wishes.

CAPTAIN EVANS' PRAYER.

"Fighting Bob" Replies to a Newspaper Story.

New York, August 1.—Following is a copy of a letter sent by Capt. Evans July 23, in reply to an article published by the Index, at Williamsport, Pa., praising Captain Philip, of the Texas, for his "after-action prayer," and making contrast between Captain Philip's action and what is referred to by the paper as the "frequently published profanity" of Captain Evans:

"I beg to acknowledge the receipt to day of a copy of your paper which you have been good enough to send to me.

"I am somewhat at a loss to know whether you sent it for the purpose of calling my attention to the cuss words attributed to me in the newspapers, or to Captain Philip of the show of Christian spirit in announcing to his men on the quarter-deck of the Texas, after the battle of Santiago, that he believed in Almighty God. As, however, you have seen fit to drag my name in your newspaper, I hope that you will publish this reply, that those who have read your issue of July 15 may also read what I have to say about it.

"I have never considered it necessary, and I am sure that a great majority of officers in the navy do not consider it necessary, to announce to their crews that they believe in Almighty God. I think that goes without saying. We, each of us, have the right to show by our acts how much we are imbued with this belief. Captain Philip had a perfect right to show this to his men as he did; it was simply a matter of taste.

"HIS PRAYERS WERE INTERRUPTED.

"Now, for myself. Shortly after the Spanish cruiser Vizcaya had struck her colors and my crew had secured the guns, the chaplain of the ship, an excellent man, came to me and said:

"Captain, shall I say a few words of thanks to Almighty God for our victory?"

"I said: 'By all means do so; I will have the men sent aft for that purpose,' and was on the point of doing so when it was reported to me that a Spanish battleship was steaming toward us from the east. My first duty to God and my country was to sink this Spanish battleship and I immediately made preparations to do so. When it was discovered that this ship was an Austrian vessel, I found my ship surrounded by boats carrying dying and wounded prisoners and others of the crew of the Vizcaya to the number of 250. To leave these men to suffer for want of food and clothing while I called my men aft to offer prayers was not my idea of either Christianity or religion. I preferred to clothe the naked, feed the hungry and succor the sick, and I am strongly of the opinion that Almighty God has not put a black mark against me on account of it. I do not know whether I shall stand with Captain Philip among the first chosen in the hereafter, but I have this to say in conclusion, that every drop of blood in my body on the afternoon of the third of July was singing thanks and praise to Almighty God for the victory we had won."

Dr. Brooks Improves The Hospital.

In regard to the good condition in which the Regimental hospital at Camp Dan Russell has been placed, the Morning Post has this to say:

Dr. Brooks took charge of the hospital management there yesterday and there was an appreciable change for the better in the condition of affairs. When he assumed charge he immediately put a force of men to scouring a new space of floor above the present location of the hospital. This has been nicely cleaned up and today all the patients will be moved to this point. The kitchen and dining apartments have also been transferred. The change for the better was noticeable as soon as one entered the hospital.

Our War With Spain.

The most interesting and appreciable entertainments that can now be given is that produced by the "Cineograph." It shows in life motion all the latest war scenes and produces our monster battleship Maine leaving a United States port for Havana with the sailors busily engaged on deck and the American flag waving proudly over her is alone sufficient to stir all the patriotism in an American citizen.

Added to these great attractions is stereoscopic views of all the prominent officers of both our army and navy and the prominent Cuban leaders beside many other scenes equally as interesting and instructive.

An entertainment of this character will be given by the New York Cineograph and Stereopticon Company under the auspices of the Emma Gray Missionary Society of the First Presbyterian church at the court house Friday night, August 5th. Every person who is interested in the present war with Spain should take this opportunity of witnessing these scenes.

The Best Remedy for Flux.

Mr. John Mathias, a well known stock dealer of Pulaski, Ky., says: "After suffering for over a week with flux, and my physician having failed to relieve me, I was advised to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, and have the pleasure of stating that the half of one bottle cured me." For sale by C. E. Holton.

Schley's Modest Letter.

Macon, Ga., Aug. 2.—The following letter has been received from Commodore W. S. Schley, by Mr. A. W. Reese, of Macon:

"Flagship Brooklyn, 'Guantanamo, Cuba, July 26, 1898.

"My Dear Mr. Reese: I thank you for your note of congratulation. I am afraid I am being praised more than I deserve for a simple act of duty to which my whole training in life has been directed. The victory was won by all who were engaged, and the people's thanks are more due to them than to me, and I feel that I could not appropriate to myself what ought to be shared with all.

Very sincerely yours,
W. S. Schley."

Tumor In the Breast Cured

Six or seven years ago I had a lump
so known to come in my breast which
made it well so much that it became
so hard I could not make a dent in
the breast. It was so painful and
caused me to suffer so that some nights
I could hardly turn in the bed or rest.
Nothing did me any good, and I was
very uneasy, not knowing how it
would terminate. I used one-half
dozen bottles of Mrs. Joe Person's
Remedy, without stopping on it, and
it made a perfect cure of me. The
lump disappeared gradually and I
have never had any trouble from it since.

"GOOD SHIP! BULLY SHIP!"
So Said Schley to the Men of the
Oregon.

Edwin Naglestock, one of the crew
of the Oregon, in a letter to a friend
in Chicago, gives an account of the
capture of the Cristobal Colon and
adds: When Commodore Schley came
up he shouted: "Good ship! Bully
Ship! You get it all!"

We were then ordered to send a
prize crew aboard the Colon, and
some great sights were seen on that
ship. She was sinking, but our boys
succeeded in securing a large quan-
tity of clothing, silverware, wines, ci-
gars, silks, cigarettes, swords, revolv-
ers, paper letters, besides a dog, a
pig, a cat, and two birds. They re-
turned to the Oregon loaded with
spoils.

You should see the dog we got
from the Colon. Yesterday being the
fourth, we fired a salute and the
beast trembled like a leaf. He had
been under a hot fire the day before,
and knew what the cannon's roar was.
Around the pigs neck we have placed
a collar on which is printed, "Re-
member the Maine." They say we
will each receive about \$1,500 of
\$8,000, but I doubt it, although we are
entitled to it.

The Chinese cook on our ship bakes
dried apple pies each day, and I can
tell you that they are fine. He charges
30 cents apiece for them, and all my
spare cash goes in this direction. This
is the finest luxury that we have.

"Wyeh" Hazel, Not "Witch" Hazel.
The correct name for Hamamelis vir-
ginica is not witch hazel, but wyeh hazel.
Our plant has no connection with
the magic of the water hunter. The
blackthorn of England, Prunus spinosa,
was the wood used in these divinations,
or whatever these superstitious practices
may be termed. Hazel had a very wide
meaning in the olden times, and the
elm, as well as the nut now known as
such, was hazel. One of these elms, now
known as Ulmus montana, was the fa-
vorite wood for making wyehes, or pro-
vision chests, and was therefore known
as the wyeh elm. In the present day
it is the wyeh elm. Our hamamelis re-
ceived from the early settlers the name
of wyeh hazel from the resemblance of
the leaves to those of the wyeh hazel or
elm of the old world. Language reform-
ers imagining that wyeh should be
spelled with are responsible for the
confusion. Wyeh hazel is the correct
term for our plant.—Meehan's Monthly.

Health Before Beauty.

Two Irishmen who had not met for
years ran across each other in Derby,
and after a period of handshaking ad-
justed for some moist congratulations.
"Long time since we met, Pat, isn't
it? Great lot of things have happened
since then."

"Yes, indeed. Look at meself. Sure,
it's married I am," replied Pat.
"You don't tell me."

"Faith, and O'we've got a fine, healthy
boy, and the neighbors say he is the
very picture of me."

O'Grady looked at Pat, who wasn't
built on the lines of a prize beauty.

The Rev. W. B. Costley, of Stock-
bridge, Ga., while attending to his
pastoral duties at Ellenwood, that
state, was attacked by cholera morbus.

He says: "By chance I happened to
get hold of a bottle of Chamberlain's
Colic, Cholera and Diarrhoea Remedy,
and I think it was the means of saving
my life. It relieved me at once." For
sale by C. E. Holton.

About one month ago my child
which is fifteen months old, had an at-
tack of diarrhoea accompanied by
vomiting. I gave it such remedies as
are usually given in such cases, but
as nothing gave relief we sent for a
physician and it was under his care
for a week. At this time the child had
been sick for about ten days and was
having about twenty-five operations
of the bowels every twelve hours, and
we were convinced that unless it soon
obtained relief it would not live.
Chamberlain's Colic, Cholera, Diar-
rhoea Remedy was recommended, and
I decided to try it. I soon noticed a
change for the better; by its continued
use a complete cure was brought about
and it is now perfectly healthy.—C. L.

BRIEF LOCAL MATTERS.

W. E. Lewis presents a new ad in
his space today.

Read Farise's ad and act on the
timely suggestions therein contained.
Mrs. A. L. Wright left this after-
noon for Mt. Airy to spend some time
at White Sulphur Springs near that
city.

Mrs. J. J. Stone left this morning
for Charlotte to visit her mother, Mrs.
Dals. She will be absent two or three
weeks.

Don't forget the lawn party in the
country tonight. It is for a worthy
cause. You have a cordial invitation
to be present.

W. H. Leonard, a prominent jewel-
er of Winston, came down yesterday
to meet his family who have been on
a visit to Chatham county.

The Ladies' Aid Society of St. Bar-
nabas church will meet Thursday af-
ternoon at 5:30 o'clock with Mrs.
Lewis Clark, 315 Forbys street.

A misunderstanding about a bill was
the cause of a little scrap yesterday
afternoon on South Elm street. A
few blows were exchanged and beyond
affording amusement to several spec-
tators no damage was done.

Sergeant W. S. Shepherd, formerly
of Company C, First N. C. Regiment
passed through today returning to his
home in Winston from Jacksonville,
having been discharged from service
on account of physical disability.

The old shingle roof on the building
which was formerly the Keeley Insti-
tute, corner S. Elm and W. Market
streets, is being removed and a new
tin roof will take its place. The new
roof will add much to the appearance
of the building.

We learn that there will be a reunion
of the old soldiers at Mocksville Aug-
ust 11th in connection with the Masonic
picnic. A grand parade by the Ma-
sons in full regalia is to take place
accompanied by the old soldiers and
led by bands of music. An elegant
dinner is furnished for 25 cents and
everything good is furnished by the
good ladies of Davie, Forsyth, Rowan,
and Iredell counties.

Hobson Passes Here Tonight.

Lieutenant Richmond Pearson Hob-
son will pass through Greensboro to-
night on the vestibule bound for New
York. Mr. Hobson will be accompa-
nied by his mother and probably one
or two other relatives. After reach-
ing New York he will confer with
wrecking companies and finish the de-
tails necessary to the raising of the
wrecked Spanish ships. He will re-
turn to Santiago and personally su-
perintend the floating of these vessels.
No doubt a large number of our
folks will be at the depot to greet
and cheer the hero of the Merrimac, whose
bravery has been recognized and ap-
plauded throughout the world.

That Roguish Coon Again.

Charles Carter, the little coon whom
we mentioned some time ago as steal-
ing ale from a down town restaurant,
is in trouble again. A crate of empty
beer bottles was left outside the ex-
press office at the depot last night and
before any one discovered him Charles
had carried all but two of the bottles
to a bar room and sold them. But
when Charles came back for the last
bottle Mr. Collins caught him and
turned him over to Officer Weatherly.
The officer placed him in jail, but they
can't keep him there. He has been
there so much that he feels at home.
The mayor has tried him time and
again but always turns him loose on
account of his youth.

CHAIRMAN HOLTON TALKS.

Fusion Between Republican and Pop-
ulists is a Certainty.

Chairman A. E. Holton, of the re-
publican state executive committee,
arrived in the city yesterday fresh
from the mountains of Western Caro-
lina. The man who will manipulate
the republican campaign this fall
dropped in at the executive office soon
after his arrival. He was ushered into
the presence of His Nibs, Governor
Daniel L. Russell, where he was in
consultation for sometime.

Chairman Holton failed to find one
man whom he sought while paying his
respects to capitol officials. Dr.
Thompson, Secretary of State, the
populist state chairman, was not in the
city. At the Yarbrow last night the
chairman "confabbed" with friends.

A reporter of the Post saw the chair-
man and asked him the direct question
if the populists and republicans would
fuse.

"The last clause in the letter of
Chairman Simmons to Mr. Mewborne
makes fusion between republicans and
populists certain," was the reply that
came. "The populists were charac-
terized by Mr. Simmons as a horde of
office-seekers."

"Will there be a meeting of the ex-
ecutive committee at an early date?"
"Not that I know of."

"What about the arrangement as to
judges?"

"That matter will not be attended to
before September."

"Will you establish republican
headquarters in this city?"

"I have not engaged any rooms."

It was suggested to the chairman
that room No. 19 at the Park, the same
occupied by the populist conference
committee during the democratic state
convention, was unoccupied.—Raleigh
Post.

Lawn Party Last Night.

The lawn party at the Presby-
terian church yesterday afternoon
and last night was a great suc-
cess in every particular. In the after-
noon the children enjoyed themselves
to the utmost—riding the pony, eating
ice cream and cake and drinking le-
monade fresh from the "well."

A large crowd of older persons was
present in the evening under the beams
of a full moon everybody passed a
most pleasant evening. Quite a heat
sum was realized.

Firemen!

There will be a meeting of the fire
department Wednesday evening, Au-
gust 3d, at 8:15 o'clock, in the hall of
Steamer Co. No. 1. Every member is
expected to be present, as business of
importance will come before the de-
partment—appointing committees, etc.
for the coming tournament.

By order of the Chief.
